**Understanding Special Education**

IDEA: Evaluation & RTI - Evaluation and determining eligibility are key elements in special education. Participants in this workshop will learn about the process that determines the need for special education and related services.

IDEA: IEP Clinic Workshop - This workshop helps parents and professionals learn about developing the Individualized Education Program to help children with disabilities reach for success. Participants will learn to be effective members of the IEP team by walking through the IEP process step by step.

IDEA: Procedural Safeguards - Parents will discuss their rights through procedural safeguards in IDEA providing the groundwork for parent participation and decision making that is built into special education law. Learn information about resolution meetings, mediation, and the state complaint process.

IDEA: Behavior & Discipline in School - Participants will learn the components of the discipline process under IDEA and gain strategies that can help children manage their behavior. Understanding Positive Behavior Supports, Nevada’s laws on Aversive Interventions, suspension and expulsion policies will give participants strategies to help children reach success.

IDEA: Planning for Change - School to Adult Transition - This workshop will provide information on areas relating to transition, including the age of majority, as well as how to prepare for and take an active role in the IEP process.

**Workshops**
