Are You Ready for “The Talk”? 

Puberty is often a confusing time for children with disabilities as they try to understand the changes their bodies are going through and emotions they may be feeling. Learn how to teach your adolescent important skills, like understanding appropriate relationships, boundaries, social, skills, and keeping up with hygiene. Feel more confident as you get ready to have “the talk”!

Behavior and Discipline in School

Participants will learn the components of the discipline process under IDEA and gain strategies that can help children manage their behavior. Understanding Positive Behavior Supports, Nevada’s laws on Aversive Interventions, suspension and expulsion policies will give participants strategies to help children reach success.

Evaluation & RTI (RtI)

Evaluation and determining eligibility are key elements in special education. Participants in this workshop will learn about the process that determines the need for special education and related services.

Workshops:

Behavior and Discipline in School
Parents will learn the components of the discipline process under IDEA and gain strategies that can help children manage their behavior. Understanding Positive Behavior Supports, Nevada’s laws on Aversive Interventions, suspension and expulsion policies will give participants strategies to help children reach success.

Evaluation & Response to Intervention (RtI)

Evaluation and determining eligibility are key elements in special education. Participants in this workshop will learn about the process that determines the need for special education and related services.

Introduction to IEP

This one-hour overview of the Individualized Education Program will help parents increase their knowledge in writing measurable goals and gain confidence as they participate in their child’s IEP meetings.

Making the Most of Your Baby’s Early Intervention Services

Parents who have concerns about their child’s development often feel overwhelmed and unsure where to turn. Early intervention services can help you start or toddler with a disability learn, grow, and meet milestones. This workshop is for families of children under the age of three who have concerns and are interested in learning more about the free services that are available to enhance their baby’s development.

Planning for Change - School to Adult Transition

This workshop will provide information on areas relating to transition, including the age of majority, as well as how to prepare for and take an active role in the IEP process.

Six Advocacy Tips that Turn No’s into Yes’s!

Are you tired of being told “No”? You are the expert on your child and you know what your child needs. Learn how to get it with these six amazing advocacy strategies!

Considering College?

Learn What’s Available and How to Get It Thinking about what to do with school or post-secondary? This workshop will guide you where to go, what to ask, and how to apply to help you get ready for the next chapter of your life as a college student. You will be provided a “You Can Do It!” workbook to assist you with gathering information to better prepare you for your post-secondary education. Parents and students are encouraged to attend this workshop together.

Getting That First Job

Both parents and students will learn an overview of the realities of employment for youth. Topics include career planning, the role of families and suggestions to increase the likelihood of being hired for a job.

IEP Clinic Workshop

Parents are key members of their child’s IEP team. This workshop includes an in-depth look at the Individualized Education Program (IEP), including how to use evaluations to write measurable goals, as well as strategies to help parents become more active participants in their child’s IEP.
