Behavior and Discipline in School
Participants will learn the components of the discipline process under IDEA and gain strategies that can help children manage their behavior. Understanding Positive Behavior Supports, Nevada’s laws on Aversive Interventions, suspension and expulsion policies will give participants strategies to help children reach success.

Bullies, Targets, and Bystanders: Responses that Work
While bullying doesn’t always leave bruises or broken bones, it can leave deep emotional scars that last a lifetime. Bullying is a serious issue that occurs throughout our schools everyday, and without intervention, bullying can lead to serious academic, social, emotional, and legal problems. Don’t miss this class full of responses to bullying that really work.

Considering College? Learn What’s Available and How to Get It Thinking about going to college? This workshop will guide you where to go, what to ask, and how to apply to help you get ready for the next chapter of your life as a college student. You will be provided a “You Can Do It!” workbook to assist you with gathering information to better prepare you for your post-secondary education. Parents and students are encouraged to attend this workshop together.

Getting that First Job
Both parents and students will learn an overview of the realities of employment for youth. Topics include career planning, the role of families and suggestions to increase the likelihood of being hired for a job.

How is My Child Reading
Do you find that homework and other tasks can be challenging for your child to complete? Learn about the difficulties children have with focusing, their different learning styles, and strategies that can help you help your child focus better.

IEP Clinic
Parents are key members of their child’s IEP team. This workshop includes an introductory look at the Individualized Education Program (IEP), including how to use evaluations to write measurable goals, as well as strategies to help parents become more active participants in their child’s IEP. Please have your child’s IEP handy so you can review it during the workshop!

Making the Most Out of Your Baby’s Early Intervention Services
Parents who have concerns about their child’s development often feel overwhelmed and unsure where to turn. Early intervention services can help your infant or toddler with a disability learn, grow, and meet milestones. This workshop is for families of children under the age of three who want to learn more about the free services that are available to enhance their baby’s development.

Planning for Change - School to Adult Transition
This workshop will provide information on areas relating to transition, including the age of majority, as well as how to prepare for and take an active role in the IEP process.

Positive Behavior Approaches for Parents
This workshop will provide an overview of Positive Behavior Interventions and an understanding of the environments in which challenging behaviors occur. Learn about evidence-based practices that support preschooers to be successful and the statewide project TACSEI Pyramid Model Partnership.
