Are You Ready for “The Talk”?

Poverty is often a confounding factor for children with disabilities as they try to understand the changes their bodies go through and emotions they may be feeling. Learn how to teach your adolescent important skills, like understanding appropriate relationships, boundaries, social skills, and keeping up with hygiene. Feel more confident as you get ready to have “the talk”!

Behavior and Discipline in Schools

Participants will learn the components of the discipline process under IDEA and gain strategies that can help children manage their behavior. Understanding Positive Behavior Supports, Nevada’s laws on Aversive Interventions, suspension and expulsion policies will give participants strategies to help children reach success.

Bullies, Targets, and Bystanders: Responses that Work

While bullying doesn’t always leave bruises or broken bones, it can leave deep emotional scars that last a lifetime. Bullying is a serious issue that occurs throughout our schools everyday and, without intervention, bullying can lead to serious academic, social, emotional, and legal problems. Don’t miss this class full of responses to bullying that really work.

Coffee-Tea and IEP

Don’t miss a small group learning opportunity for families! This guided interactive discussion will explore the special education process and encourage meaningful participation in IEPs. You’ll leave with new ideas that encourage high expectations that lead to success for students with disabilities. RSVP required.

Considering College?

Thinking about going to college? This workshop will guide you where to go, what to ask, and how to apply to help you get ready for the next chapter of your life as a college student. You will be provided a “You Can Do It!” workbook to assist you with gathering information to better prepare you for your post-secondary education. Parents and students are encouraged to attend this workshop together.

Help Your Child to Focus on Learning

Do you find that homework and other tasks can be challenging for your child to complete? Learn about the difficulties children have with focusing, their different learning styles, and strategies that can help you help your child focus better.

How is My Child Reading

This workshop focuses on helping participants understand terms that are used when discussing reading and writing. Learning the building blocks of literacy will answer this question and give parents the confidence to discuss reading scores with school staff. Don’t miss this workshop full of valuable information on how students learn to read and write.

IEP Clinic Workshop

Parents are key members of their child’s IEP team. This workshop includes an overview of the Individualized Education Program (IEP), including how to use evaluations to write measurable goals, as well as strategies to help parents become more active participants in their child’s IEP. Please have your child’s IEP handy so you can review it during the workshop!

Planning for Change - School to Adult Transition

This workshop will provide information on areas relating to transition, including the age of majority, as well as how to prepare for and take an active role in the IEP process.

Positive Behavior Approaches for Parents

This workshop will provide an overview of Positive Behavior Interventions and an understanding of the environment in which challenging behaviors occur. Learn about evidence-based practices that support return to school and be successful in the statewide project DACSE3 Pyramid Model Partnership.

Procedural Safeguards

Parents will discuss their rights through procedural safeguards in IDEA providing the groundwork for parent participation and decision making that is built into special education law. Learn about resolution meetings, mediation, and the state complaint process.

Say Goodbye to Your Child’s Challenging Behavior

Challenging behaviors can leave many parents and teachers feeling frustrated and ineffective. Positive Behavioral Interventions (PBI) is a proactive approach that can assist children achieve social, emotional, and academic success. This workshop will introduce you to powerful tools that will have you saying goodbye to challenging behavior.

Six Advocacy Tips that Turn No’s into Yeses!

Are you tired of being told “No”? You are the expert on your child and you know what your child needs. Learn how to get it with these six amazing advocacy strategies!

Getting that First Job

Both parents and students will learn an overview of the realities of employment for youth. Topics include career planning, the role of families and suggestions to increase the likelihood of being hired for a job.

Introduction to IEP

Parents are key members of their child’s IEP team. This webinar includes an introductory look at the Individualized Education Program (IEP), including learning about strategies to help parents become more active participants in their child’s IEP.

Making the Most Out of Your Baby’s Early Intervention Services

Parents who have concerns about their child’s development often feel overwhelmed and unsure where to turn. Early intervention services can help your infant or toddler with a disability learn, grow, and meet milestones. This workshop is for families of children under the age of three who want to learn more about the free services that are available to enhance their baby’s development.

Understanding Section 504 – A Civil Rights Law

This new workshop is designed to provide an understanding of The Rehabilitation Act of 1973 Section 504. Their purpose is to ensure that a child with a disability identified under the law who has a disability that is a covered disability under Section 504 for students with disabilities who are enrolled in an elementary or secondary educational institution receives accommodations that will ensure their academic success and access to the learning environment.

¡Seis Consejos de Abogacía que Gira de un No a un Sí!

¿Está cansado de que le digan “No”? Usted es el experto en su hijo y usted sabe las necesidades de su hijo y usted sabe las necesidades de su hijo. Aprenda cómo conseguirlo con estas seis estrategias de abogacía increíbles!

Spanish:

Navigating your child’s educational system is stressful and complex. At Nevada PEP, we provide a range of workshops and webinars to help parents and caregivers navigate the special education process. Our workshops cover topics such as understanding the Individualized Education Program (IEP), procedural safeguards, and advocate strategies to ensure a successful educational journey for your child.

Our webinars include introductions to IEPs, understanding Section 504, and navigating the compliance process. We also offer sessions on advocacy strategies, such as turning “No” responses into “Yes” solutions.

For parents and families in need of support and resources, our workshops and webinars are tailored to provide guidance and empower families to advocate for the best possible educational outcomes for their children.

To sign up for workshops and webinars, please call PEP or register on the PEP website by using the Training Calendar tab.

*Nebraska PEP workshops are provided at no charge.
