Behavior and Discipline in Schools
Participants will learn the components of the discipline process under IDEA and gain strategies that can help children manage their behavior. Understanding Positive Behavior Supports, Nevada’s laws on Aversive Interventions, suspension and expulsion policies will give participants strategies to help children reach success.

Bullies, Targets, and Bystanders: Responses that Work
While bullying doesn’t always leave bruises or broken bones, it can leave deep emotional scars that last a lifetime. Bullying is a serious issue that occurs throughout our schools everyday and, without intervention, bullying can lead to serious academic, social, emotional, and legal problems. Don’t miss this class full of responses to bullying that really work.

Coffee, Tea and IEP
Don’t miss a new small group learning opportunity for families! This guided interactive discussion will explore the special education process and encourage meaningful participation in IEPs. You’ll leave with new ideas that encourage high expectations that lead to success for students with disabilities.

Considering College? Learn What’s Available and How to Get It Thinking about going to college? This workshop will guide you where to go, what to ask, and how to apply to help you get ready for the next chapter of your life as a college student. You will be provided a “You Can Do It!” workbook to assist you with gathering information to better prepare you for your post-secondary education. Parents and students are encouraged to attend this workshop together.

Evaluation & Response to Intervention
Evaluation and determination of eligibility are key elements in special education. Participants in this workshop will learn about the process that determines the need for special education and related services.

Getting the First Job
Both parents and students will learn an overview of the realities of employment for youth. Topics include career planning, the role of families and suggestions to increase the likelihood of being hired for a job.

Help Your Child Focus on Learning
Do you find that homework and other tasks can be challenging for your child to complete? Learn about the difficulties children have with focusing, their different learning styles, and strategies that can help you help your child focus better.

How About Transition Planning: Navigating Your Future
This workshop will provide information on areas relating to transition, including the age of majority, as well as how to prepare for and take an active role in the IEP process.

How is My Child Reading
This workshop focuses on helping participants understand terms that are used when discussing reading and writing. Learning the building blocks of literacy will answer this question and give parents the confidence to discuss reading scores with school staff. Don’t miss this workshop full of valuable information on how students learn to read and write.

IEP Clinic Workshop
Parents are key members of their child’s IEP team. This workshop includes an overview of the Individualized Education Program (IEP), including how to use evaluation to write measurable goals, as well as strategies to help parents become more active participants in their child’s IEP. Please have your child’s IEP handy so you can review it during the workshop.

Introduction to IEP
This one-hour overview of the Individualized Education Program will help parents increase their knowledge in writing measurable goals and gain confidence as they participate in their child’s IEP meetings.

Making the Most Out of Your Baby’s Early Intervention Services
Parents who have concerns about their child’s development often feel overwhelmed and unsure where to turn. Early intervention services can help your infant or toddler with a disability learn, grow, and meet milestones. This workshop is for families of children under the age of three who want to learn more about the free services that are available to enhance their baby’s development.

Positive Behavior Approaches for Parents
This workshop will provide an overview of Positive Behavior Interventions and an understanding of the environments in which challenging behaviors occur. Learn about evidence-based practices that support preschoolers to be successful and the statewide project TACSEI Pyramid Model Partnership.

Procedural Safeguards
Parents will discuss their rights through procedural safeguards in IDEA providing the groundwork for parent participation and decision making that is built into special education law. Learn information about resolution meetings, mediation, and the state complaint process.

Six Advocacy Tips that Turn No’s into Yes’s
Are you tired of being told “No?” You are the expert on your child and you know what your child needs. Learn how to get it with these six amazing advocacy strategies!

Understanding Section 504 – A Civil Rights Law
This new workshop is designed to provide an understanding of The Rehabilitation Act of 1973 Section 504. Their purpose is to ensure that a child who has a disability identified under the law and is attending an elementary or secondary educational institution receives accommodation that will ensure their academic success and access to the learning environment.
