Workshop & Webinar Descriptions:

Making the Most Out of Your Baby’s Early Intervention Services

Parents who have concerns about their child’s development often feel overwhelmed and unsure where to turn. Early intervention services can help your infant or toddler with a disability learn, grow, and meet milestones. This workshop is for families of children under the age of three who want to learn more about the free services that are available to enhance their baby’s development.

Procedural Safeguards

Parents will discuss their rights through procedural safeguards in IDEA providing the groundwork for parent participation and decision making that is built into special education law. Learn information about resolution meetings, mediation, and the state complaint process.

Transition Planning: Navigating Your Future

This workshop will provide information on areas relating to transition, including the age of majority, as well as how to prepare for and take an active role in the IEP process.

Six Advocacy Tips that Turn ‘No’s into ‘Yes’s

Are you tired of being told “No”? You are the expert on your child and you know what your child needs. Learn how to get it with these six amazing advocacy strategies!

Understanding Section 504 and Civil Rights

This new workshop is designed to provide an understanding of The Rehabilitation Act of 1973 Section 504. Their purpose is to ensure that a child who has a disability identified under the law and is attending an elementary or secondary educational institution receives accommodations that will improve their academic success and access to the learning environment.
