

## WHAT IS NEVADA PEP?

Nevada PEP is a non-profit organization founded by parents like you who reached out to one another, lending support and networking, sharing resources and information.

Through the years Nevada PEP has grown to become Nevada's Parent Training and Information Center and the Statewide Family Network.

Nevada PEP holds regularly scheduled training workshops for parents and community partners, as well as monthly family support groups, at no cost to the participants. For more information, please contact your nearest Nevada PEP Office.

Nevada PEP provides support and advocacy for families through a collaborative program funded by the Nevada Division of Child and Family Services.
