

Every Nevadan Has the Right to Free COVID-19 Care

FREE SERVICES INCLUDE

COVID-19 VACCINES

COVID-19 TESTING

COVID-19 TREATMENT

KNOW YOUR RIGHTS

- You do not have to have insurance.
- You cannot be turned away without ID.
- You do not need to share your immigration status.
- Getting services will not impact your immigration status.
- Your personal information is not shared with the government.

WHY IS IT FREE?

- A federal Uninsured Program pays for COVID-19 services provided to anyone without health insurance.
- If you have health insurance, they may ask you for your card to bill your insurance an administration fee. You will not be charged anything out-of-pocket.

WHAT TO EXPECT

- An insurance card, social security number or government ID may be requested, but is not required. ID is used to track who has received a vaccine and who still needs a 2nd dose.
- No one should inquire about your immigration status. If they do, you can refuse to answer.
- If you are uninsured and receive a bill related to COVID-19 testing or treatment, ask your provider to bill the HRSA COVID-19 Uninsured Program instead of you.
- If you receive and pay a bill for COVID-19 services, request a refund. If you don't receive one, contact the HHS Office of Inspector General Hotline at **1-800-HHS-TIPS** or visit **<https://TIPS.HHS.GOV>** to file a complaint.
