

Each October, Nevada PEP recognizes **National Bullying Prevention Month**. Join our 3rd annual "I Care We Care" campaign. This year we are honored to have **Findlay Automotive Group** and **Fox 5's Take 5 to Care** on board with us as our spectacular I Care We Care Universe Sponsors!

The **I Care We Care - Taking Kindness To New Heights** campaign will collect messages of kindness to launch our "I Care We Care Kindness Rocket"! Join us on our event website in October to use our templates to craft your own messages!

We are offering an "out of this world" opportunity for Businesses, Community Leaders, and Individuals to help us "Take Kindness to New Heights!" Get your own "I Care We Care" Rocket Board and help us to raise awareness about bullying prevention in Nevada!
