Community Trainings

Nevada PEP offers training opportunities for parents, students, and professionals throughout Nevada. Core training topics include Understanding ADHD, IEP Clinics, Positive Behavioral Interventions, Bullying Prevention, and Literacy workshops. In collaboration with our community partners, we provide trainings to educate the community and to reach more families who have children with disabilities. The information offered in the trainings helps families learn about best practices and how to advocate for services for their children. Trainings are presented in both English and Spanish, and include both live and On-Demand Trainings.
